Fruit from One's Own Garden is Always Appreciated and the Trees Add to the Value of Your Property

TREES

I think that I shall never see
A poem lovely as a tree.
A tree whose hungry mouth is prest
Against the earths sw't flowing breast
A tree that looks at God all day,
And lifts her leafy arms to pray;
A tree that may in Summer wear
A nest of robins in her hair;
Upon whose bosom snow has lain
Who intimately lives with rain.
Poems are made by fools like me,
But only God can make a tree.

—Joyce Kilmer.

TESTIMONIALS

Kansas City, Mo.

To Whom It May Concern:—I have been personally acquainted with Mr. Zieber of the Pawnee Rock Nursery for 30 years. Have just received some Spirea Shrubs. They were in splendid condition, well packed, reached destination in good shape. Mr. Zieber never fails to give absolutely fair treatment and prompt service and I know these statements to be a fact by personal dealings.

Very truly,
MRS. JAMES RAGAN.

Pawnee Rock, Kansas.

"I have no trees or shrubs on my place but what were bought from the Pawnee Rock Nursery, W. M. Zieber, Proprietor, and I drew first prize for display of apples at the Pawnee County Fair and four firsts at the Barbon County Fair—Gano, Ben Davis, Black Twig and Stamey Winesap. These apples were grown in Pawnee County, River township."—C. W. Converse, Owner.
